| Gruyere | Traditional<br>Owners | Yilka | To fulfil commitments made to the Yilka People under the native title agreement, including in relation to employment, contracting, environment and the management of Aboriginal heritage.  There has also been considerable engagement with the Yilka People in relation to the conduct of heritage surveys during the year.  Engagement has included formal meetings of the Relationship Committee (which are held quarterly, and on which members of both Yilka and Gold Flelds sit) and Key Contact meetings (where identified contact points for each of Yilka and Gold Fields meet regularly to discuss current matters). | Gruyere / Cosmo Newberry Communit y / Perth | Weekly | During the course of the year, Gold Fields has met the commitments under the native title agreement, and a strong relationship with this key stakeholder group has been established. Key outcomes include that heritage surveys for the Gruyere Project have been completed, and direct employment of Yilka persons at the Gruyere Project have increased. |
